

World Space Week

Kitakyushu

The World Space Week will be held from October 4th to 10th, 2016. For this special occasion, space engineering students from Kyushu Institute of Technology are organizing not one, but TWO FUN SPACE EVENTS! By all means, please come and enjoy with us this year World Space Week.

Event 1: Science Café & Astronomy

2016/10/5 (Wed.) 16:30~19:30

16:30~ **The Space Venture Challenge**

Speaker: Irino Yasutaka (SPACE MAGIC, CEO)

17:45~ **Foreign students perspective on space career**

There are many foreign students at Kyutech, who are learning about space development. Come and listen to their experience and find out why they chose space or how space chose them.

Sunset~ **Astronomical observations**

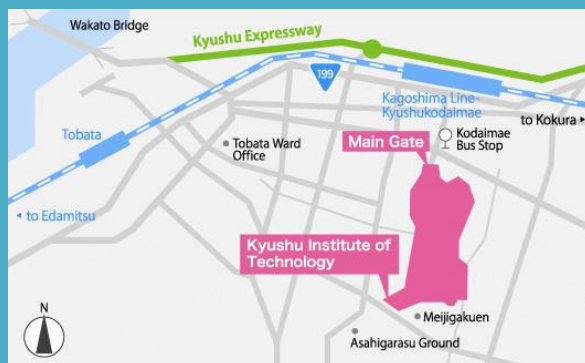

Observation of Saturn and other celestial bodies with a telescope.
※In case of cloudy weather or heavy rain, observation will stop.

【Reservation】

You can reserve by phone, FAX, or e-mail. You can also come without reservation.

If you reserve, let us know the number of participants.

Venue
